Due to the high demand of our stallions, it is best to be placed on the list the day prior to collection. All orders will be filled on a first come, first served basis and must be confirmed or cancelled by 9am the day of collection.

It is difficult for us to process an order after the stallion has been collected, therefore orders placed after a stallion has been collected may be denied or incur additional fees.

Shipments cancelled after a stallion has been collected will incur a penalty fee. Cancellations after semen has been shipped will be billed the full shipping fee.

PLEASE NOTE - FLYING COWBOY 123 will be frozen semen only on Wednesdays

All fees must be paid in advance before any semen will be shipped. This includes breeding fees and shipping fees. We accept credit cards and can charge your card at each shipment as necessary for your convenience. There is a 3.25% processing fee for electronic payments.

FedEx/UPS Priority Overnight shipments ordered on Fridays will need to go to an address that has Saturday delivery. If you do not have Saturday delivery, we can ship to another place with Saturday delivery with whom you've made arrangements or to a FedEx Location with Saturday delivery to be held for you to pick up.

Please return the equitainer to Royal Vista Ranch, 26822 State Hwy 59, Wayne, OK 73095. Equitainers not returned, returned without their ice cans/packs, isothermalizers, plastic cups or lids, or damaged equitainers will be billed accordingly.

If a shipment does not arrive in the stated timeframe, every effort will be made to recover the costs from FedEx or the airline, so it is essential you let us know as soon as possible if it has not arrived. A credit will ONLY be issued if FedEx/airline honors the claim and remits payment to us. They generally will not honor claims for shipments delayed due to weather or other events beyond their control.
